Sign Baby Sign offers two versions of the Baby Sign Workshop. The first is the master presentation workbook with DVD, the second is a participant workbook.

The master presentation workbook is titled Sign Baby Sign / Parent Workshop: DVD and Workbook. It is a complete 72 page book with DVD, a workbook program supplementing a one hour DVD Baby Sign Workshop Presentation. It has been designed for use by parents, grandparents, teachers, preschool directors and other caregivers. It may also be used by a professional for group presentations.

The Participant Workbook is a folder containing paperwork which may be used by participants during a group presentation. The group leader would distribute one folder to each member of the group. It contains basic information regarding the benefits of signing, the 90 baby sign word pictures, manual alphabet and numbers.
